BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

DANIEL M. GLICK, M.D.

Case No. MD-17-0115A

Holder of License No. 15897

ORDER FOR LETTER

For the Practice of Allopathic Medicine

OF REPRIMAND; AND

In the State of Arizona.

CONSENT TO THE SAME

Daniel M. Glick, M.D. ("Respondent") elects to permanently waive any right to a

hearing and appeal with respect to this Order for a Letter of Reprimand; admits the

jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order

by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of

the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 15897 for the practice of

allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-17-0115A after receiving a report from

a psychiatrist stating that a patient disclosed that she had engaged in a consensual sexual

relationship with Respondent in 2011.

4. Respondent admitted to engaging in the relationship with the patient and that

it occurred after the termination of their professional relationship but prior to the six month

restriction as required by statute.

5. On April 6-8, 2017, Respondent voluntarily enrolled in and completed an

intensive, in-person professional boundaries course at the University of California, San

Diego Physician Assessment and Clinical Education Program.

6. On May 16-18, 2017, Respondent underwent a psychosexual evaluation at a

Board approved facility. Evaluators at the facility concluded that Respondent does not
suffer from any disorder. The evaluators opined that Respondent is safe to practice and no
treatment or monitoring recommendations were made.

CONCLUSIONS OF LAW

a. The Board possesses jurisdiction over the subject matter hereof and over
   Respondent.

b. The conduct and circumstances described above constitute unprofessional
   conduct pursuant to A.R.S. § 32-1401(27)(z)(“Engaging in sexual conduct with a current
   patient or with a former patient within six months after the last medical consultation unless
   the patient was the licensee’s spouse at the time of the contact or, immediately preceding
   the physician-patient relationship, was in a dating or engagement relationship with the
   licensee. For the purposes of this subdivision, “sexual conduct” includes: (i) Engaging in or
   soliciting sexual relationships, whether consensual or nonconsensual.”).
