BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

USMAN CHAUDHARY RAMZAN, M.D.
Holder of License No. 41233
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-17-0398A

INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION

INTERIM CONSENT AGREEMENT

In lieu of summary suspension pursuant to A.R.S. § 32-1451.02(B), Usman Chaudhary Ramzan, M.D. ("Respondent"), elects to permanently waive any right to a hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction and consents to the entry of this Order by the Arizona Medical Board ("Board").

INTERIM FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 41233 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-17-0398A after receiving a Disciplinary Action Report ("DAR") stating that the Connecticut Medical Examining Board ("Connecticut Board") had summarily suspended Respondent's Connecticut medical license.

4. On March 28, 2017, the Connecticut Board issued an Interim Consent Order stating that it had become aware of Respondent's alleged substance use disorder.

5. The aforementioned information was presented to the investigative staff, the medical consultant and the lead Board member. All reviewed the information and concur that the interim consent agreement to restrict Respondent's practice is appropriate.
6. The investigation into this matter is pending and will return to the Board promptly upon completion for review and action.

INTERIM CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to enter into a consent agreement when there is evidence of danger to the public health and safety.

3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an interim consent agreement when there is evidence that a restriction is needed to mitigate imminent danger to the public's health and safety. Investigative staff, the Board's medical consultant and the lead Board member have reviewed the case and concur that an interim consent agreement is appropriate.

INTERIM ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent is prohibited from engaging in the practice of medicine in the State of Arizona as set forth in A.R.S. § 32-1401(22) until he applies to the Executive Director and receives permission to do.

2. Respondent may request, in writing, release and/or modification of this Interim Consent Agreement. The Executive Director, in consultation with and agreement of the Lead Board Member and the Chief Medical Consultant, has the discretion to determine whether it is appropriate to release Respondent from this Interim Consent Agreement based on the totality of information available to Board staff at the time of the request, including but not limited to, the status of Respondent's Connecticut medical license, and any health condition that Respondent may have. The Executive Director in consultation
with and agreement of the Chief Medical Consultant, may order any combination of
assessments or examinations in order to determine whether Respondent is safe to
practice medicine in Arizona prior to modification or release of this Interim Consent
Agreement.

3. The Board retains jurisdiction and may initiate new action based upon any
violation of this Interim Consent Agreement, including, but not limited to, summarily
suspending Respondent’s license or forwarding the matter to Formal Hearing for
proceedings to revoke Respondent’s license.

4. Because this is an Interim Consent Agreement and not a final decision by
the Board regarding the pending investigation, it is subject to further consideration by the
Board. Once the investigation is complete, it will be promptly provided to the Board for its
review and appropriate action.

5. This Interim Consent Agreement shall be effective on the date signed by the
Board’s Executive Director.

**RECITALS**

Respondent understands and agrees that:

1. The Board, through its Executive Director, may adopt this Interim Consent
Agreement, or any part thereof, pursuant to A.R.S. § 32-1405(C)(25) and A.A.C. R4-16-504.

2. Respondent has read and understands this Interim Consent Agreement as
set forth herein, and has had the opportunity to discuss this Interim Consent Agreement
with an attorney or has waived the opportunity to discuss this Interim Consent Agreement
with an attorney. Respondent voluntarily enters into this Interim Consent Agreement and
by doing so agrees to abide by all of its terms and conditions.
3. By entering into this Interim Consent Agreement, Respondent freely and voluntarily relinquishes all rights to an administrative hearing on the matters set forth herein, as well as all rights of rehearing, review, reconsideration, appeal, judicial review or any other administrative and/or judicial action, concerning the matters related to the Interim Consent Agreement.

4. Respondent understands that this Interim Consent Agreement does not constitute a dismissal or resolution of this matter or any matters that may be currently pending before the Board and does not constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction regarding this or any other pending or future investigations, actions, or proceedings. Respondent also understands that acceptance of this Interim Consent Agreement does not preclude any other agency, subdivision, or officer of this State from instituting civil or criminal proceedings with respect to the conduct that is the subject of this Interim Consent Agreement. Respondent further does not relinquish his rights to an administrative hearing, rehearing, review, reconsideration, judicial review or any other administrative and/or judicial action, concerning the matters related to a final disposition of this matter, unless he affirmatively does so as part of the final resolution of this matter.

5. Respondent acknowledges and agrees that upon signing this Interim Consent Agreement and returning it to the Board’s Executive Director, Respondent may not revoke his acceptance of this Interim Consent Agreement or make any modifications to it. Any modification of this original document is ineffective and void unless mutually approved by the parties in writing.
6. Respondent understands that this Interim Consent Agreement shall not become effective unless and until it is signed by the Board’s Executive Director.

7. Respondent understands and agrees that if the Board’s Executive Director does not adopt this Interim Consent Agreement, he will not assert in any future proceedings that the Board’s consideration of this Interim Consent Agreement constitutes bias, prejudice, pre judgment, or other similar defense.

8. Respondent understands that this Interim Consent Agreement is a public record that may be publicly disseminated as a formal action of the Board, and that it shall be reported as required by law to the National Practitioner Data Bank.

9. Respondent understands that this Interim Consent Agreement does not alleviate his responsibility to comply with the applicable license-renewal statutes and rules. If this Interim Consent Agreement remains in effect at the time Respondent’s allopathic medical license comes up for renewal, he must renew his license if Respondent wishes to retain his license. If Respondent elects not to renew his license as prescribed by statute and rule, Respondent’s license will not expire but rather, by operation of law (A.R.S. § 32-3202), become suspended until the Board takes final action in this matter. Once the Board takes final action, in order for Respondent to be licensed in the future, he must submit a new application for licensure and meet all of the requirements set forth in the statutes and rules at that time.

10. Respondent understands that any violation of this Interim Consent Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(r) ("[v]iolating a formal order, probation, consent agreement or stipulation issued or entered into by the board or its executive director under this chapter").
USMAN CHAUDHARY RAMZAN, M.D.
