BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

DAVID P. KNAPP, M.D.

Holder of License No. 22830
For the Practice of Allopathic Medicine
in the State of Arizona.

Case No. MD-17-0450A
INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION

INTERIM CONSENT AGREEMENT

In lieu of summary suspension pursuant to A.R.S. § 32-1451.02(B), David P. Knapp, M.D. ("Respondent"), elects to permanently waive any right to a hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction and consents to the entry of this Order by the Arizona Medical Board ("Board").

INTERIM FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 22830 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-17-0450A after receiving a Disciplinary Action Report ("DAR") stating that the California Medical Board ("California Board") had summarily suspended Respondent's California medical license.

4. On April 17, 2017, after a hearing on the merits regarding an allegation that Respondent failed to appear for California Board-ordered mental and psychiatric assessments, an Administrative Law Judge ("ALJ") issued an Interim Order immediately suspending Respondent's California medical license. The assessments were ordered after the California Board received information that Respondent may have a health condition impairing his ability to safely practice medicine.
5. The aforementioned information was presented to the investigative staff, the medical consultant and the lead Board member. All reviewed the information and concur that the interim consent agreement to restrict Respondent's practice is appropriate.

6. The investigation into this matter is pending and will return to the Board promptly upon completion for review and action.

INTERIM CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to enter into a consent agreement when there is evidence of danger to the public health and safety.

3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an interim consent agreement when there is evidence that a restriction is needed to mitigate imminent danger to the public's health and safety. Investigative staff, the Board's medical consultant and the lead Board member have reviewed the case and concur that an interim consent agreement is appropriate.

INTERIM ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent is prohibited from engaging in the practice of medicine in the State of Arizona as set forth in A.R.S. § 32-1401(22) until he applies to the Executive Director and receives permission to do.

2. Respondent may request, in writing, release and/or modification of this Interim Consent Agreement. The Executive Director, in consultation with and agreement of the Lead Board Member and the Chief Medical Consultant, has the discretion to determine whether it is appropriate to release Respondent from this Interim Consent Agreement.
based on the totality of information available to Board staff at the time of the request, including but not limited to, the status of Respondent’s California medical license, and any health condition that Respondent may have. The Executive Director in consultation with and agreement of the Chief Medical Consultant, may order any combination of assessments or examinations in order to determine whether Respondent is safe to practice medicine in Arizona prior to modification or release of this Interim Consent Agreement.

3. The Board retains jurisdiction and may initiate new action based upon any violation of this Interim Consent Agreement, including, but not limited to, summarily suspending Respondent’s license or forwarding the matter to Formal Hearing for proceedings to revoke Respondent’s license.

4. Because this is an Interim Consent Agreement and not a final decision by the Board regarding the pending investigation, it is subject to further consideration by the Board. Once the investigation is complete, it will be promptly provided to the Board for its review and appropriate action.

5. This Interim Consent Agreement shall be effective on the date signed by the Board’s Executive Director.

RECITALS

Respondent understands and agrees that:

1. The Board, through its Executive Director, may adopt this Interim Consent Agreement, or any part thereof, pursuant to A.R.S. § 32-1405(C)(25) and A.A.C. R4-16-504.

2. Respondent has read and understands this Interim Consent Agreement as set forth herein, and has had the opportunity to discuss this Interim Consent Agreement with an attorney or has waived the opportunity to discuss this Interim Consent Agreement
with an attorney. Respondent voluntarily enters into this Interim Consent Agreement and
by doing so agrees to abide by all of its terms and conditions.

3. By entering into this Interim Consent Agreement, Respondent freely and
voluntarily relinquishes all rights to an administrative hearing on the matters set forth
herein, as well as all rights of rehearing, review, reconsideration, appeal, judicial review or
any other administrative and/or judicial action, concerning the matters related to the
Interim Consent Agreement.

4. Respondent understands that this Interim Consent Agreement does not
constitute a dismissal or resolution of this matter or any matters that may be currently
pending before the Board and does not constitute any waiver, express or implied, of the
Board’s statutory authority or jurisdiction regarding this or any other pending or future
investigations, actions, or proceedings. Respondent also understands that acceptance of
this Interim Consent Agreement does not preclude any other agency, subdivision, or
officer of this State from instituting civil or criminal proceedings with respect to the conduct
that is the subject of this Interim Consent Agreement. Respondent further does not
relinquish his rights to an administrative hearing, rehearing, review, reconsideration,
judicial review or any other administrative and/or judicial action, concerning the matters
related to a final disposition of this matter, unless he affirmatively does so as part of the
final resolution of this matter.

5. Respondent acknowledges and agrees that upon signing this Interim
Consent Agreement and returning it to the Board’s Executive Director, Respondent may
not revoke his acceptance of this Interim Consent Agreement or make any modifications to
it. Any modification of this original document is ineffective and void unless mutually approved by the parties in writing.

6. Respondent understands that this Interim Consent Agreement shall not become effective unless and until it is signed by the Board’s Executive Director.

7. Respondent understands and agrees that if the Board’s Executive Director does not adopt this Interim Consent Agreement, he will not assert in any future proceedings that the Board’s consideration of this Interim Consent Agreement constitutes bias, prejudice, pre judgment, or other similar defense.

8. Respondent understands that this Interim Consent Agreement is a public record that may be publicly disseminated as a formal action of the Board, and that it shall be reported as required by law to the National Practitioner Data Bank.

9. Respondent understands that this Interim Consent Agreement does not alleviate his responsibility to comply with the applicable license-renewal statutes and rules. If this Interim Consent Agreement remains in effect at the time Respondent’s allopathic medical license comes up for renewal, he must renew his license if Respondent wishes to retain his license. If Respondent elects not to renew his license as prescribed by statute and rule, Respondent’s license will not expire but rather, by operation of law (A.R.S. § 32-3202), become suspended until the Board takes final action in this matter. Once the Board takes final action, in order for Respondent to be licensed in the future, he must submit a new application for licensure and meet all of the requirements set forth in the statutes and rules at that time.

10. Respondent understands that any violation of this Interim Consent Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(r) (“[v]iolating a
formal order, probation, consent agreement or stipulation issued or entered into by the board or its executive director under this chapter").
