Case No. MD-07-1095A

**CONSENT AGREEMENT FOR
LETTER OF REPRIMAND**

7 **CONSENT AGREEMENT**

8 By mutual agreement and understanding, between the Arizona Medical Board
9 ("Board") and Adam J. Hansen, M.D. ("Respondent"), the parties agreed to the following
10 disposition of this matter.

11 1. Respondent has read and understands this Consent Agreement and the
12 stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement").
13 Respondent acknowledges that he has the right to consult with legal counsel regarding
14 this matter.

15 2. By entering into this Consent Agreement, Respondent voluntarily
16 relinquishes any rights to a hearing or judicial review in state or federal court on the
17 matters alleged, or to challenge this Consent Agreement in its entirety as issued by the
18 Board, and waives any other cause of action related thereto or arising from said Consent
19 Agreement.

20 3. This Consent Agreement is not effective until approved by the Board and
21 signed by its Executive Director.

22 4. The Board may adopt this Consent Agreement or any part thereof. This
23 Consent Agreement, or any part thereof, may be considered in any future disciplinary
24 action against Respondent.

25 5. This Consent Agreement does not constitute a dismissal or resolution of other
matters currently pending before the Board, if any, and does not constitute any waiver,

1 express or implied, of the Board's statutory authority or jurisdiction regarding any other
2 pending or future investigation, action or proceeding. The acceptance of this Consent
3 Agreement does not preclude any other agency, subdivision or officer of this State from
4 instituting other civil or criminal proceedings with respect to the conduct that is the subject
5 of this Consent Agreement.

6 6. All admissions made by Respondent are solely for final disposition of this
7 matter and any subsequent related administrative proceedings or civil litigation involving
8 the Board and Respondent. Therefore, said admissions by Respondent are not intended
9 or made for any other use, such as in the context of another state or federal government
10 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or
11 any other state or federal court.

12 7. Upon signing this agreement, and returning this document (or a copy thereof) to
13 the Board's Executive Director, Respondent may not revoke the acceptance of the
14 Consent Agreement. Respondent may not make any modifications to the document. Any
15 modifications to this original document are ineffective and void unless mutually approved
16 by the parties.

17 8. If the Board does not adopt this Consent Agreement, Respondent will not
18 assert as a defense that the Board's consideration of this Consent Agreement constitutes
19 bias, prejudice, prejudgment or other similar defense.

20 9. This Consent Agreement, once approved and signed, is a public record that will
21 be publicly disseminated as a formal action of the Board and will be reported to the
22 National Practitioner Data Bank and to the Arizona Medical Board's website.

23 10. If any part of the Consent Agreement is later declared void or otherwise
24 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in force
25 and effect.

1 11. Any violation of this Consent Agreement constitutes unprofessional conduct
2 and may result in disciplinary action. A.R.S. § § 32-1401(27)(r) (“[v]iolating a formal order,
3 probation, consent agreement or stipulation issued or entered into by the board or its
4 executive director under this chapter”) and 32-1451.

1 **FINDINGS OF FACT**

2 1. The Board is the duly constituted authority for the regulation and control of
3 the practice of allopathic medicine in the State of Arizona.

4 2. Respondent is the holder of license number 31928 for the practice of
5 allopathic medicine in the State of Arizona.

6 3. The Board initiated case number MD-07-1095A after receiving a complaint
7 alleging that, prior to performing a laparoscopic cholecystectomy on December 12, 2007,
8 Respondent discovered that patient SD had a tattoo on his penis. Respondent
9 subsequently used his cell phone to take a photograph of the tattoo and then showed the
10 photograph to two attending physicians who asked about the tattoo.

11 4. During an investigational interview with Board Staff on December 19, 2007,
12 Respondent admitted to taking the photograph and to showing the photograph on his cell
13 phone to two attending physicians who asked about the tattoo. Respondent also admitted
14 that the consent form signed by the patient consenting to the procedure did not apply to
15 taking the photograph and that it was not related to SD's diagnosis or treatment under
16 current practice standards. Respondent stated that he deleted the only copy when he
17 realized it may have been a violation of the Health Insurance Portability and Accountability
18 Act.

19 **CONCLUSIONS OF LAW**

20 1. The Board possesses jurisdiction over the subject matter hereof and over
21 Respondent.

22 2. The conduct and circumstances described above constitute unprofessional
23 conduct pursuant to A.R.S. § 32-1401(27)(z) ("[e]ngaging in sexual conduct with a current
24 patient or with a former patient within six months after the last medical consultation unless
25 the patient was the licensee's spouse at the time of the contact or, immediately preceding

1 the physician-patient relationship, was in a dating or engagement relationship with the
2 licensee, for purposes of this subdivision, 'Sexual Conduct' includes: (iii) Intentionally
3 viewing a completely or partially disrobed patient in the course of treatment if the viewing
4 is not related to patient diagnosis or treatment under current practice standards.").

5 **ORDER**

6 IT IS HEREBY ORDERED THAT:

7 1. Respondent is issued a Letter of Reprimand for inappropriately
8 photographing and viewing a patient's penile tattoo.

9 2. This Order is the final disposition of case number MD-07-1095A.
