BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

LOKESH S. TANTUWAYA, M.D. Case No. MD-16-1071A
Holder of License No. 46000 ORDER FOR LETTER OF
For the Practice of Allopathic Medicine REPRIMAND; AND
In the State of Arizona. CONSENT TO THE SAME

Lokesh S. Tantuwaya, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Order for a Letter of Reprimand; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 46000 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-16-1071A after receiving notification that Respondent failed to disclose to the Board three medical malpractice settlements paid on his behalf since 2013.

4. Respondent failed to respond to the Board's investigation. During the course of the investigation, Board staff determined that Respondent had failed to maintain a current address with the Board. After the case was referred to the Office of Administrative Hearings for a Formal Hearing, Respondent provided Board staff with a narrative and patient records for each of the three malpractice cases originally requested by the Board. Respondent stated that he was out of the country during the pendency of the Board's investigation.
5. On or about August 25, 2014, Respondent was charged with felonies in San Diego County Superior Court case SCN335891, and subsequently entered into a plea agreement for reduced charges. Additionally, on or about May 8, 2017, Respondent was charged with a felony in San Diego County Superior Court case CN372748, which was later dismissed although Respondent was later convicted of a single non-reportable misdemeanor. Respondent failed to report these charges to the Board within ten days as required by statute. Respondent asserts that the May 8, 2017 felony charge was erroneously entered.

7. Respondent has also reported that he has not practiced medicine in Arizona during the period that his license was active.

8. Respondent reported felony charges entered against him in the United States District Court for the Central District of California in CR 18-0040-JLS.

9. Respondent acknowledges that the Board has not reviewed the substance of the medical malpractice settlements reported by him, or the charges entered in SCN335891, CN372748, and CR-18-0040-JLS and that in the event that he reapplies for licensure, the records and matters will be reviewed in accordance with A.R.S. § 32-1422.

CONCLUSIONS OF LAW

a. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

b. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(a) ("Violating any federal or state laws, rules or regulations applicable to the practice of medicine."). Specifically, Respondent's conduct violated A.R.S. § 32-3208(A) ("A health professional who has been charged with a . . ."
felony after receiving or renewing a license or certificate must notify the health
professional's regulatory board in writing within ten working days after the charge is filed.

c. The conduct and circumstances described above constitute unprofessional
conduct pursuant to A.R.S. § 32-1401(27)(dd)("Failing to furnish information in a timely
manner to the board or the board's investigators or representatives if legally requested by
the board.").

ORDER
